

Money Conference '20

Investment Discipline in a Disruptive Environment

TUESDAY, 8 DECEMBER 2020 | 16.00 – 18.00

THE VIRTUAL EDITION

For the third year in a row, Top Kinisis, the Cyprus Chamber of Commerce and Industry and the Cyprus Russian Business Association are proud to announce the materialization of the 2020 Conference which this year will run virtually.

This year's theme Money Conference 2020 'Investment Discipline in a Disruptive Environment' ties in with the current environment which is very challenging and characterized by many disruptive events. Nevertheless, investors still have to maintain a disciplined investment strategy and continue their investment activity. The conference, through its high caliber speakers, aims to inform the audience about the global economic and investment outlook, how to manage investment portfolios in a disruptive environment and why investors should aim at new or additional investments.

The conference is mainly addressed to individual investors, institutional investors and senior executives from investment firms as well as professionals from alternative investment funds, accounting/audit/tax firms, consulting firms, law firms, banks and other financial institutions.

The conference will be conducted in English and participants will be able to address questions via chat. Participation is free however, registration is a requirement.

Join us in this unique Conference!

To register please
